

Coma - 1/1

Interprété par Muse.

confide in me
sustain on my apathy
you're such a mess
you can learn not to confess

you will not find it in me
simply because I can't
wake and find it in me
I'm in a coma
you will not find it in me
your'll reveal all your pains again
we'll fall asleep
so deeply out of reach
for years feeling dead
falling right out of bed

you will not find it in me
simply because I can't
wake and find it in me
I'm in a coma
you will not find it in me
your'll reveal all your pains again

hey such a mess but I don't care
simply because I can't
wake and find it in me
I'm in a coma
you will not find it in me
your'll reveal all your pain again
