

No cigar - 1/1

Interprété par Millencolin.

Tell us where you`re from,
what you want to become.
And we`ll say if your OK.
Where did you go to school?
Right answer and tou're cool.
Yeah, you`re the kid the whole day.

You get a sticker in your face.
Information about your case,
so you know your potential.
Don`t you think you can extend.
Don`t you think you can extend, just comprehend.
But I don`t wanna hear it,
no, it`s more than I accept.

I don`t care where I belong no more.
What we share or not I will ignore.

We will shut you out.
We`ll put you in doubt
if you think that you`re special.
We`ll tell you who you are.
Tell you that you`re close but no cigar.
But, I don`t wanna hear it,
no, it`s more than I accept.

'Cause I don`t care where I belong no more.
What we share or not I will ignore.
And I won`t waste my time fitting in.
'Cause I don`t think contrast is a sin.

What they is ...
Go back, where you came from.
They`ll tell you that, but I don`t wanna hear.
No, I don`t wanna hear. No, I don`t wanna hear it.
No, it`s more than i accept.

'Cause I don`t care where I belong no more.
What we share or not I will ignore.
And I won`t waste my time fitting in.
'Cause I don`t think contrast is a sin.
No, it`s not a sin.
