

Be like that - 1/1

Interprété par 3 Doors Down.

He spends his nights in California, watching the stars on the big screen
Then he lies awake and he wonders, why can't that be me
Cause in his life he is filled with all these good intentions
He's left a lot of things he'd rather not mention right now
But just before he says goodnight, he looks up with a little smile at me and he says

If I could be like that, I would give anything
Just to live one day, in those shoes
If I could be like that, what would I do, what would I do

Now and dreams we run

She spends her days up in the north park, watching the people as they pass
And all she wants is just a little piece of this dream, is that too much to ask
With a safe home, and a warm bed, on a quiet little street
All she wants is just that something to hold on to, that's all she needs

Yeah!

If I could be like that, I would give anything
Just to live one day, in those shoes
If I could be like that, what would I do, what would I do

I'm falling into this, in dreams we run away

If I could be like that, I would give anything
Just to live one day, in those shoes
If I could be like that, what would I do, what would I do

If I could be like that, I would give anything
Just to live one day, in those shoes
If I could be like that, what would I do, what would I do

If I could be like that, I would give anything
Just to live one day, in those shoes
If I could be like that, what would I do, what would I do

Falling in
I feel I'm falling in, to this again
