

Loser - 1/1

Interprété par 3 Doors Down.

Breathe in right away, nothing seems to fill this place I need this every time, take your lies get off my case Some day I will find, a love that flows through me like this This will fall away, this will fall away

You're getting closer, to pushing me off of life's little edge Cause I'm a loser and sooner or later you know I'll be dead You're getting closer, you're holding the rope and I'm taking the fall Cause I'm a loser, I'm a loser, yeah

This is getting old, I can't break these chains that I hold My body's growing cold, there's nothing left of this mind or my soul Addiction needs a pacifier, the buzz of this poison is taking me higher This will fall away, this will fall away

You're getting closer, to pushing me off of life's little edge Cause I'm a loser and sooner or later you know I'll be dead You're getting closer, you're holding the rope and I'm taking the fall Cause I'm a loser, I'm a loser!

You're getting closer, to pushing me off of life's little edge Cause I'm a loser and sooner or later you know I'll be dead You're getting closer, you're holding the rope and I'm taking the fall Cause I'm a loser

You're getting closer, to pushing me off of life's little edge Cause I'm a loser and sooner or later you know I'll be dead You're getting closer, you're holding the rope and I'm taking the fall Cause I'm a loser
