

Eternally missed - 1/1

Interprété par Muse.

chase your dreams away
glass needles in the hay
the sun forgives the clouds
you are my holy shroud

I just don't care if it's real
that won't change how it feels
I just don't care if it's real
that won't change how it feels

no it doesn't change
and you can't resist
making me feel eternally missed
and you can't resist
and you can't resist
making me feel

chase your dreams away
glass needles in the hay
the sun forgives the clouds
you are my holy shroud

and I just don't care if it's real
that won't change how it feels
I just don't care if it's real
that won't change how it feels

no it doesn't change
and you can't resist
making me feel eternally missed
you can't resist
you can't resist
making me feel

you can't resist
making me feel eternally missed
u can't resist
u can't resist
making me feel

u can't resist
making me feel eternally missed
and u can't resist
and u can't resist
making me feel
