

## Me vs the world - 1/1

Interprété par Forty Foot Echo.

Hey boys, Hey girls, Hey anybody who will listen to me  
In case you havent noticed its just me against the world today  
I fell out of the wrong side of the bed and landed in the worst mood  
The stupid alarm clock screaming at me from across the room  
I'm trying to be nice im trying ot be reasonable but its oh so hard when i dont wanna be  
If your looking for that nice girl from the day before dont bother she dont live here anymore  
Cause its me against the world (oh what a stupid day)  
Yea its me against the world (just stay out of my way)  
and in case you havent noticed and in case you havent heard its just me against the world  
And the world is winning  
You should have let me stay in bed I've got this pounding in my head  
No nothings ok wont you stay out of my face today I'm slamming doors I'm slamming phones down  
Watch out for this temper tantrum  
Stay outta my way cause if you dont you'll be scared away  
I'm trying to be nice im trying ot be reasonable but its oh so hard when i dont wanna be  
If your looking for that nice girl from the day before dont bother she dont live here anymore  
Cause its me against the world (oh what a stupid day)  
Yea its me against the world (just stay out of my way)  
and in case you havent noticed and in case you havent heard its just me against the world  
And the world is winning  
I'm gonna be impossible  
I've gotta tell you I'm seeing red [x3]  
I'm gonna make you believe what I say  
I'm gonna make you  
Cause its me against the world (oh what a stupid day)  
Yea its me against the world (just stay out of my way)  
and in case you havent noticed and in case you havent heard  
its just me against the world [x2]  
And the world is winning
