

## Metamorphosis - 1/2

**Interprété par Hilary Duff.**

I've been so wrapped up in my warm cocoon  
But something's happening, things are changing soon  
Im pushing the edge, feeling it crack  
And once I get out, there's no turning back

Watching the butterfly go towards the sun  
I wonder what I will become

Refrain :  
Metamorphosis  
Whatever this is  
Whatever I'm going through  
Come on and give me a kiss  
Come on, I insist  
I'll be something new  
A metamorphosis

Things are different now when I walk by  
You start to sweat and you don't know why  
It gets me nervous but it makes me calm  
To see life all around me moving on

Watching the butterfly go towards the sun  
I wonder what I will become

Refrain :  
Metamorphosis  
Whatever this is  
Whatever I'm going through  
Come on and give me a kiss  
Come on, I insist  
I'll be something new  
A metamorphosis

[Spoken:]  
Every day is a transformation  
Every day is a new sensation  
Alteration, modification  
An incarnation, celebration  
Every day is a new equation  
Every day is a revelation  
Information, Anticipation  
Onto another destination

Refrain :  
Metamorphosis  
Whatever this is

## Metamorphosis - 2/2

Whatever I'm going through  
Come on and give me a kiss  
Come on, I insist  
I'll be something new  
A metamorphosis
