

Synesthesia - 1/2

Interprété par A.f.i.

"Synesthesia"

Heartbreak, incarnate, I'm nothing if not your memories
Heartbreak, please let me be enjoying your pain

Someday, I will be...
I'll be the common voice for community
Because I am a man who'll forever be
Where all remaining failed

Please let me understand I'm your pillow
Letters of past so distant and wrinkled
Please let me understand I'm your pillow
Letters of past so distant and wrinkled

(Just say...) Say you will follow me (follow me)
Invite me to your memory
(Just sing...) Sing again for me (for me)
That long forgotten song

Heartbreak, incarnate, I'm nothing if not your memories
Heartbreak, please let me be enjoying your pain

Someday, I will be...
I'll be that what you want from a failing dream
Because I will, I may at best
Be as low as you feel

Please let me understand I'm your pillow
Letters of past look distant and wrinkled
Please let me understand I'm your pillow
Letters of past look distant and wrinkled

(Just say...) Say you will follow me (follow me)
Invite me to your memory
(Just sing...) Sing again for me (for me)
that long forgotten song (*repeat)

Let me be all the words
Let me be all the words
Let me be all the words
Let me be all the words
Let me feel the words echo in comfort
Let me be all the words that you'd unsay
Let me feel the words echo in comfort, comfort, comfort, comfort

Synesthesia - 2/2

Let me be all the words that you'd unsay, unsay, unsay, unsay

Let me feel the words echo in comfort

Let me be all the words that you'd unsay

Let me feel the words echo in comfort, comfort... comfort

Let me be all the words that you'd unsay, unsay, unsay, unsay
