Doo doo doo doo doo doo doo.....
we go where we like,
we got over time,
we get paid 2 rattle our, chains

we go in the back,
paint our money black,
spend it on the enemy

sleeping in the church,
riding in the dirt,
put a banner over my grave

Make a body work,
make a begger hurt,
sell me sumthing big and untamed

Now our time, real good time,
(doo doo doo doo doo doo..)
now our time, a real good time
(doo doo doo doo doo doo..)
now our time, (SAID NOW OUR TIME),
a real good time (ITS A REALLY GOOD TIME!)

HEY AAAAAAA BE ALL MINE

we know how 2 pray,
party everyday,
make our desillation unsafe.....
(not 2 sure if unsafe is the rite word)

riding in a rut,
till the powers cut,
we dont even have a good name

sleeping in the church,
riding in the dirt,
put a banner over my grave

Make a body work,
make a begger hurt,
sell me sumthing big and untamed

...Now our time, real good time, oohh
(doo doo doo doo doo doo..)
now our time, a real good time

Feel good time - 2/2
