

## Catch 22 - 1/1

**Interprété par Erasure.**

If I seem nervous will you show me what to do?  
And does the world deserve us?  
Application rushing through

A long time coming  
Yes, it's been a long time coming

My loving you is a place where I surrender  
In my heart, it's not hard to do  
And all my worldly goods I give to you

We close our eyes and chase away the sorry things  
You make it easy for me, life is but a dream

Cried on your shoulder  
Dove into the great blue yonder

And my loving you is a place where I surrender  
Touch my heart, it's not hard to do  
And all my worldly goods I give to you  
Loving you is a place where I surrender  
In my heart, no catch 22  
And all my worldly goods I give to you

No misdemeanour  
There's a ring upon my finger

My loving you is a place where I surrender  
In my heart, it's not hard to do  
And all my worldly goods I give to you  
Loving you is a place where I surrender  
Touch my heart, no catch 22  
And all my worldly goods I give to you
