

Breathe - 1/1

Interprété par Michelle Branch.

I've been driving for an hour
Just talkin' to the rain
You say i've been driving you crazy
And it's keeping you away
So just give me one good reason
Tell me why i should stay
Coz i don't wanna waste another moment
Saying things we never meant to say

And I
Take it just a little bit
I
Hold my breath and count to ten
I've
Been waiting for a chance to let you in

-refrain :-
If I just breathe
Let it fill the space between, i'll know
Everything is alright
Breathe every little piece of me, you'll see
Everything is alright
If I just breathe

All the talks are overrated
You're not sayin' how you feel
So you end up watchin' chances fade
And wonderin' what's real

And I
Give it just a little time
I
Wonder if you realize
I've
Been waiting till i see it in your eyes

- refrain -

Shall i whisper in the dark?
Hopin' you hear me?
Do you hear me?

-refrain -

I've been driving for an hour
Just talking to the rain...
