

## Never change - 1/2

**Interprété par Puddle Of Mudd.**

Someone's always tellin' me I'm no good  
Well I don't care what you say  
Someone's always givin' me a hard time  
Well I live day to day  
Someon'es always putting me in my place  
Like I don't know where I am  
So I'll just sit here in the corner  
Without any direction

Maybe it's it's all in my head  
I think that it's something something you said  
I understand that some things will  
Never change never change

Someone's always kickin' me to the curb  
Well it's grindin' off my face  
Someone's always pushing me to the side  
Like I'm standing in the way  
Someone's always getting up in my face  
Like I don't know who I am  
To old to get 'um in the corner  
Without any direction

Refrain

Somebody's always out to get me  
Somebody's always tryin' to kill me  
Understand some things will never change  
Why did you have to go and change  
Couldn't you just have stayed the same  
Why did you have to go and say

Refrain

Somebody's always out to get me  
Somebody's always tryin' to kill me  
Understand some things will never change  
Why did you have to go and change  
Couldn't you just have stayed the same  
Why did you have to go and say  
Understand some things don't change

Why did you have to go and change  
Couldn't you just have stayed the same  
Why did you have to go and say  
Understand some things don't change

Never change  
Some things never change
