

Pistola - 1/1

Interprété par Incubus.

On the tip of my tongue an offensive is poised and rearing
My intention a bullet, my body a trigger finger
Yeah, my pen is a pistola
I don't need to fear, fear you
Yeah, my pen is a pistola
My secret arsenal is an infinite ageless ink well
It's a fountain of youth and a patriot's weapon of choice
Yeah, my pen is a pistola
I don't need to fear, fear you
Yeah, my pen is a pistola
On the tip of my tongue an offence is poised and rearing
My intention a bullet, my body a trigger finger
Yeah, my pen is a pistola
I don't need to fear, fear you
Yeah, my pen is a pistola
