

Voodoo chile - 1/1

Interprété par Jimi Hendrix.

Well I'm a Voodoo Chile,
Lord I'm a Voodoo Chile. Yeah.
Well the night I was born,
Lord I swear the moon turned a fire-red.
The night I was born, I swear the moon turned a fire-red.
Well my poor mother cried out "Lord, the gypsy was right!"
and I see her fell down right dead (have mercy).

Well mountain lions found me there waitin'
and set me on an eagle's back.
Well mountain lions found me there
and set me on an eagle's wing (eagle's wing baby).
He took me past the outskirts of infinity;
and when he brought me back,
he gave me Venus witch's ring. Hey!
And he said "Fly on, fly on!"
because I'm a Voodoo Chile baby, Voodoo Chile. Hey!

Yeah,
Well I make love to you
and Lord knows, you feel no pain. Yeah.
Say I make love to you in your sleep
and Lord knows, you felt no pain (have mercy)
'cause I'm a million miles away
and at the same time, I'm right here
in your picture frame (Yeah, hear what I say now!)
'Cause I'm a Voodoo Chile,
Lord knows I'm a Voodoo Chile, yeah...

Yeah.
Well my arrows are made of desires
from far away as Jupiter sulphur mines.
Say my arrows are made of desires
desires from far away as Jupiter sulphur mines
(way down by the methane sea).
I have a humming bird that hums so loud
you think you were losing your mind...

Well I float in liquid gardens
and Arizona's new red sands. Yeah.
I float in liquid gardens
way down in Arizona's red sands (have mercy).
Well I, taste the honey from a flower name Blue
way down in California
and New York drowns as we held hands. Hey.
'C:ause I'm a Voodoo Chile,
Lord knows I'm a Voodoo Chile, yeah...
