

Everlasting love - 1/2

Interprété par Worlds Apart.

Hearts go astray
Leaving hearts when they go
You went away
Just when I needed you so
Finding your way
You come back wanting me
I'm going to stay
Loving you endlessly

Refrain:

Open up your eyes
Then you'll realise
Here I stand with my everlasting love
Need you by my side
There's no need to hide
Never be denied
Everlasting love
Oh Yeah my everlasting love

Look in my eyes
See my love burning strong
No more goodbyes
In your arms I belong
Baby now hour has come
All my dreams have come true
Two hearts as one
Loving me loving you

Refrain

From the very start
Open up your heart
Realise the power of everlasting love
Oh yeah my everlasting love

This love will last forever
You are my everlasting love
(My everlasting love)
You are my everlasting love

Open up your eyes
Then you realise
Here I stand with my everlasting love
Need you by my side

There's no need to hide
Never be denied everlasting love
