

The juicy rabbit adventure - 1/1

Interprété par Crafty Mind.

Get up in time
Just another fucking day
Going to school
They will beat up myself
Why do they do this to me?
I'm just a juicy rabbit
I know I've got long ears
So tell me what's wrong!

Leave me alone
I just want to be quiet
Inside my mind
I'm lost

At the weekend
I stay alone again
No chance to find
Somebody else with me
Why do people don't look me????
I'm just a juicy rabbit
I know I've got no chance
So tell me what's wrong!

Leave me alone
I just want to be quiet
Inside my mind
I'm lost

Come see me
I just want to have friends
Inside my mind
I'm locked
