

## I'm in love - 1/2

**Interprété par Natasha St-Pier.**

I can't explain  
Why when it rains  
Here I go again  
I'm falling in love  
But this time is the right time

Once you believe  
Take it from me  
Dreams I meant to be  
The distance between us  
It's closer  
You're closer

I'm in love  
I feel like I am falling from the sky  
No matter what I do or how I try  
There's no way it's delayed  
I'm in love  
A symphony is playing from above  
And everything I do is all because  
I love you, it's so true  
I'm in love with you  
Together  
Forever

music

Some of my heart  
Wish we could be on a star  
That's who you are  
To me or my only  
I need you babe  
I want you

I'm in love  
An angel must have kissed me from above  
And you're my soul  
My world  
You're everything  
I know so  
Let it shore  
I'm in love with you  
Together  
Forever  
I'm in love

music

## I'm in love - 2/2

Everlasting in love  
Ooh aah as long as  
I'm with you  
Forever  
Together
