The Millionaire Waltz

Words and music by Freddie Mercury

Bring out the charge of the love brigade
There is spring in the air once again
Drink to the sound of the song parade
There is music and love ev'rywhere
Give a little love to me
(I wanna) Take a little love from me
I want to share it with you

Feel like a millionaire
Once we were mad we were happy
We spent all our days holding hands together
Do you remember my love
How we danced and played?
In the rain we laid
We could stay there for ever and ever
Now I am sad you are so far away
I sit counting the hours day by day
Come back to me
How I long for your love
Come back to me
Be happy like we used to be

Come back come back to me
Come back come back to me
Oh come back to me oh my love
How I long for your love
Won't you come back to me?

My fine friend
Take me wiz you unt love me forever
My fine friend
Forever forever

Bring out the charge of the love brigade
There is spring in the air once again
Drink to the sound of the song parade
There is music and love ev'rywhere
Give a little love to me
(I wanna) Take a little love from me
I want to share it with you
Come back come back to me feel
Make me feel like a millionaire
