

Sick and tired - 1/1

Interprété par Anastacia.

My love is on the line
My love is on the line
My love is on the line
My love is on the line

A little late for all the things you didn't say
I'm not sad for you
But I'm sad for all the time I had to waste
'Cause I learned the truth
Your heart is in a place I no longer wanna be
I knew there'd come a day
I'd set you free
'Cause I'm sick and tired
Of always being sick and tired

Refrain:

Your love isn't fair
You live in a world where you didn't listen
And you didn't care
So I'm floating
Floating on air

Oh... yeah...

No warning of such a sad song
Of broken hearts
My dreams of fairy tales and fantasy, oh
Were torn apart
I lost my peace of mind
Somewhere along the way
I knew there's come a time
You'd hear me say
I'm sick and tired
Of always being sick and tired

Refrain

My love is on the line
My love is on the line
My love is on the line
My love is on the line

My love is on the line
