### Brother For Sale

Well, we think this world  
Is a real nice place  
But we think that it's a crime  
That we should have an older brother  
Who picks on us all the time  
So, next time he's sleeping in his room  
We're goin' to sneak in and tie him  
Then we'll talk him out into the street  
And see if someone will buy him

Brother for sale  
Only fifty cents  
Brother for sale  
He's not a big expense  
You can hug him  
You can bug him  
You could buy or rent  
Brother for sale,  
Only fifty cents  
Hey, would anybody like to buy  
A slightly used big brother?  
Even if you have one now  
Trade him for another

He will help you with the chores  
And he's fairly clean  
The only problem is, sometimes  
He can be so mean!

Brother for sale  
Twenty Five Cents  
Brother for sale  
He's not a big expense  
You can hug him  
You can bug him  
You could buy or rent  
Brother for sale,  
Only fifty cents

If mom knew we were selling him  
We would really get it  
Buy him now, don't pay 'til June  
On approved credit  
Buy him now, and we'll tell you  
What we will do, mister

## Brother for sale - 2/2

We'll even throw into the deal  
Our little baby sister

Brother for sale  
Only ten cents  
Brother for sale  
He's not a big expense

He will always pick you up  
When you take a fall  
And he's good at showing you  
How to catch a ball  
He always tells these funny jokes  
These lyrics are from Kolsenfan.fr.st  
And does this crazy dance  
Hey, wait!  
He sounds like a pretty nice guy...  
Let's give him one more chance

Our brother's not for sale  
Not for any price  
Our brother's not for sale  
We guess he will suffice  
We like to hug him  
We like to bug him  
He's really rather nice  
Our brother's not for sale  
Not for any price!
