Seven years and fifty days...

The time is passing by

Nothing in this world could be as nice as you and I

And how could we break up like this

And how could we be wrong

So many years so many days

And I still sing my song

Now I run to you, like I always do

When I close my eyes I think of you...

Such a lonely girl, such a lonely world

Wwhen I close my eyes I dream...

I return to you like I alwas do

When I close my eyes I think of you

Such a lonely girl, such a lonely world

Wwhen I close my eyes I dream... of you

Seven years and fifty days

Now just look at me

Am I the girl I use to be

So damn what do you see

And how could we break up like this

And how could we be wrong

So many years so many days

And I still sing my song

Now I run to you, like I always do

When I close my eyes I think of you...

Such a lonely girl, such a lonely world

Wwhen I close my eyes I dream...

I return to you like I alwas do

When I close my eyes I think of you

Such a lonely girl, such a lonely world

Wwhen I close my eyes I dream... of you
