

Duality - 1/1

Interprété par Slipknot.

I've wished for this, I've bitched at that
I've left behind this little fact
You cannot kill what you did not create
I've gotta say what I've gotta say
And then I swear I'll go away
But I can't promise you'll enjoy the noise
I guess I'll save the best for last
My future seems like one big past
you're left with me cause you left me no choice

I push my fingers into my eyes It's the only thing that slowly stops the ache If the pain goes on, I'm not gonnamake it!

Put me back together or separare the skin from bone Leave me all the pieces, then you can leave me alone Tell me the reality is better than the dream But I found out the hard way - Nothing is what it seems

I push my fingers into my eyes It's the only thing that slowly stops the ache But it's made of all the things I have to take Jesus it never ends, it works its way inside If the pain goes on, I'm not gonna make it!

All I've got - All I've got is insane All I've got - All I've got is insane All I've got - All I've got is insane All I've got - All I've got is insane All I've got - All I've got is insane All I've got - All I've got is insane

I push my fingers into my eyes It's the only thing that slowly stops the ache But it's made of all the things I have to take Jesus it never ends, it works its way inside If the pain goes on, I'm not gonna make it!

All I've got - All I've got is insane All I've got - All I've got is insane All I've got - All I've got is insane All I've got - All I've got is insane
