

Kenny goes to hell - 1/1

Interprété par South Park.

Little boy, you're going to hell!
You said bad words, threw rocks at the bird
And now, this is your hotel!
You ain't going back, this ain't Disneyland, it's HELL!

Little boy, it's time for you to pay!
For hurting that bird, and not going to church
And staring at boobs everyday
Now you must stand in HELL!

Hell isn't good, Hell isn't good, HELL!
No, Hell isn't good, Hell isn't good, HELL!

Adolf Hitler: quelque chose en allemand
George Burns: Hey fuckface, have you seen Gracie?
Mahatma Ghandi: There is orderliness the universe
Hell isn't good, Hell isn't good, HELL!
