

## Upa mix - 1/1

**Interprété par Upa Dance.**

Uno, due, tre, quattro (x2)

Come on now  
Everybody dance with girls  
We need just a little  
Go fun and move forward  
And fasten yourself  
And until the end  
Everybody just follow me  
Let's dance, let's go  
No pain, no gain  
Switch your shirt  
And let's start again
