

## King of hearts - 1/2

**Interprété par Nina Hagen.**

King of Hearts

So young and beautiful  
So strong and lovable  
So great and wonderful  
You are the King of Hearts  
So sweet and lostus-like  
Beyond the highest high  
Like lover and father and mother  
Together, forever and ever, amen

I say you face to face  
You've got amazing grace  
Your love is bigger than  
Anything I've ever seen

I really want you to know  
That I really really love you so  
How can I let you know  
It's you I need to worship

Please teach me how  
To reach you now  
And forever I need your divine instruction to succeed  
Your presentce is beyond the state of bliss  
How could I ever describe  
Your holy holy vibe

So young and beautiful  
So strong and lovable  
So great and wonderful  
You are the King of Hearts  
So sweet and lostus-like  
Beyond the highest high  
Like lover and father and mother  
Together, forever and ever, amen

I will see you in my dream again  
That makes me oh so strong  
It's you for you I sing this song  
I really really wanna let you know  
That I really really really need you  
More and more and more and more than ever before  
When we were kissing in my dream  
You said our love is no sin  
Our love is no sin

## King of hearts - 2/2

Your presence is beyond the state of bliss  
How could I even describe your holy holy vibe

So young and beautiful  
So strong and lovable  
So great and wonderful  
You are the King of Hearts  
So sweet and lostus-like  
Beyond the highest high  
Like lover and father and mother  
Together, forever and ever, amen
