

The place you have come to fear the most - 1/1

Interprété par Dashboard Confessional.

Buried deep as you can dig inside yourself, and covered with a perfect shell, such a charming beautiful exterior. Laced with brilliant smiles and shining eyes and perfect posture, but you're barely scraping by, but you're barely scraping by.

Well this is one time, this is one time that you can't fake it hard enough to please everyone or anyone at all, or anyone at all. And the grave that you refuse to leave the refuge that you've built to flee the places that you've come to fear the most, is the place that you have come to fear the most.
