

Somewhere in the middle - 1/1

I was out the other day
And I saw you in your big black car
And I was waving as you were passing
Cause I know who you are
You had this look that of an angel
It was such a bad disguise
Did you think for second I would not realize

Tripping hard falling down onto the ground
Cause I can't stand up, and I can't fall down
Cause I'm somewhere in the middle of this, ooh, oh

I was out the other night
And I saw you so we had a fight
It was late and I was lonely
And it's such a long way home
So I asked you if you'd join me
For a single last call drink
So you turned and bought us two
And you didn't even blink
You had this look that of an angel
It was such a bad disguise
When you drink it makes you angry
When I drink I want you more and more and more

Tripping hard falling down onto the ground
Cause I can't stand up, and I can't fall down
Cause I'm somewhere in the middle of this
Tripping hard falling down onto the ground
Cause I can't stand up, and I can't fall down
Cause I'm somewhere in the middle of this
(Somewhere in the middle)
You know I find it hard
I always tried to find the sane life
But I don't like the way things are
And I keep falling to my knees
Somewhere in the middle of this
Cause I'm somewhere in the middle of this

Tripping hard falling down onto the ground
Cause I can't stand up, and I can't fall down
Cause I'm somewhere in the middle of this, oh
Cause I'm somewhere of the middle of this
Somewhere in the middle
