Last nite she said
Oh baby I feel so down
When you turn me off
When I feel left out
So I, I turned round
Oh baby don't care no more
I know this for sure
I'm walking out that door

Well I've been in town for just about fifteen minutes now
And baby I feel so down
And I don't know why
I've been walking for miles

And people they don't understand
Your girlfriends they can't understand
Your grandsons they won't understand
On top of this I ain't ever gonna understand

Last nite she said
Oh baby don't feel so down
When you turn me off
When I feel left out
So I, I turned round,
Oh baby gonna be alright
It was a great big lie
Coz I left that night
Yeah

Oh people they don't understand
No girlfriends they don't understand
In spaceships they won't understand
And me I ain't ever gonna understand

Last nite she said
Oh baby I feel so down
She could turn me off
When I feel left out
So I turned round
Oh little girl I don't care no more
I know it's for sure
I'm walking out that door, yeah.
