

Those magic changes - 1/1

Interprété par Sha-Na-Na.

What's that playing on the radio
Why do I start swaying too and fro
I have never heard that song before
But if I don't hear it anymore
It's still familiar to me,
Sends a thrill right through me
Cause those chores, remind me of the night that I first fell in love to
Those magic changes
My heart arranges
A melody, that's never the same
A melody, that's calling your name
And begs you please come back to me
Please return to me don't go away again
Ooh make them play again
The music I wanna hear as once again
You whisper in my ear
Ooh my darling ah ah

I'll be waiting by the radio
You'll come back to me someday I know
Been so long since our last good-bye
But I'm singing as I cry-y-y-y
While the bass is sounding, while the drums are pounding
Beatings of my broken heart will rise to first place on the charts
Ooh my heart arranges
Ooh those magic changes
ooh ooh ooh hoh oh oh yeahhh
