

Growing up - 1/1

Interprété par Devil&angel.

Refrain:

Little angel
That's what you were
But now you're a rebel
You're the devil

Stay like that
You're perfect
Just like it
But now it's so fun

Refrain

Be not scary
To drive and drunk
And to smoke and fly
But never forget

Refrain

Don't walk on grass
But smoke it
Because it's green
Because it's cool

Refrain

You need to stop
Growing up
You need to stop
Complicating your life
