

Dip it low - 1/2

Interprété par Christina Milan.

Says he wants you
He says he needs you
It's real talking when I make him wait for you
If he really wants you
If he really needs you
Really got to have you
Take your time and feel him out
When it's a good boy
I mean a really really good boy
Why not let him lay with you
That's when you give it to him good

Refrain
Dip it low
Pick it up slow
Roll it all around
Poke it out like your back broke
Pop pop pop that thing
Ima show you how to make your man say "Oh"
Dip it low
Pick it up slow
Roll it all around
Poke it out like your back broke
Pop pop pop that thing
Ima show you how to make your man say "Oh"

You getting bold
He growin' cold
It's just the symptoms of young love
Growin' old
You think it's time
And your thinking of leaving
But give it time
It's late at night
He's coming home
Meet him at the door with nothin' on
Take him by the hair
Let him know what's on
If you understand me
Ya'll come on

All my ladies wine it up
If you know just how to move (move)
All my fellas jump behind
And show her what you want to do (show her what you got daddy)

All my ladies wine it up

Dip it low - 2/2

If you know just how to move
All my fellas jump behind
And show her what you want to do (ouh... wouh ouh)

Dip it low
Pick it up slow (ohhh)
Roll it all around
Poke it out like your back broke
Pop pop pop that thing
Ima show you how to make your man say "Ooo" (ima show you how to make him)
Dip it low (ouhhh)
Pick it up slow
Roll it all around
Poke it out like your back broke
Pop pop pop that thing
Ima show you how to make your man say "Ooo"

We can move if you wanna
We can move if you wanna
We can mooove if you wanna
We can moooooooooove...

Dip it low
Pick it up slow (slowww)
Roll it all around (ohhhh)
Poke it out like your back broke
Pop pop pop that thing (yeah)
Ima show you how to make your man say "Ooo"
Dip it low
Pick it up slow
Roll it all around
Poke it out like your back broke (come on come on come on)
Pop pop pop that thing
Ima show you how to make your man say "Ooo" (ooooh)
