

Hit my heart - 1/1

Interprété par Benassi Bros.

Hey Hé
Hey, come on Hé,
Oh...

[Chorus]

Are you gonna hit my heart ?
Are you gonna leave me once again ?
Baby don't you hit my heart...
Are you gonna break my heart ?
Are you gonna make me cry again ?
Baby don't you break my heart...

Hey boy, it's not a game
You are the one blame
My love is not your toy
You better be careful boy

You told a million lies to me
One day you said goodbye, baby
I gave you one more chance
So be still be baby

[Chorus]
