

Of sins and shadows - 1/2

Interprété par Symphony X.

Album : The Divine Wings Of Tragedy (1997)

Auteur : Thomas Miller

Compositeurs : Michael Romeo / Michael Pinnella

Passing through the void
The darkest grand illusion
Chaos is riding on the wind

Destroyed in agony
They create a maddened lair
Summon all to heed their cry

Innocence fading away
- the dying eyes of prey

Desperate cries, hail of fire deciding
All our fate in the night
Tempt in sin, shadows then begin to
Gather the souls they hold within

Victims of desire
Pestilence of their invasion
Forms then take on evil waves

Paralyze, victimize
The shadows fall and enter fast
from the sky - (from the sky)
Summon all to heed their cry

Innocence fading away
- the dying eyes of the prey

Desperate cries, hail of fire deciding
All our fate in the night
Tempt in sin, shadows then begin to
Gather the souls they hold within

I've betrayed - slowly fade
I repent my inner plea
I've denied - sanctified
Cannot hide from this
monstrosity

I'm immersed in a curse
Of this jaded imagery
Realize that your cries

Of sins and shadows - 2/2

Only jeopardize this legacy
