Looking back through time  
To my childhood days  
I used to have a place  
Where I could escape the reality  
But lately things have been  
So difficult for me  
Trying to reach for the light  
In the fall of darkness

Waiting watching my life  
&#039;m wasting my time  
&#039;m losing grip from life  
Going back to my dreamspace  
Leaving it all behind  
Soon the things will be alright  
When I get there

Am I safe in here  
Nothing left to fear  
I will close my eyes  
And float away with stream

Wandering here in this  
Eternal darkness  
No sign of light anywhere  
I am going insane  
Now I am leaving this life  
No hope left, I want to die
