

## Best friend - 1/2

Interprété par S Club 7.

Come on, come on, best friend

We all need a best friend, a best friend

I remember when we was young  
Playing pool after school, keeping it cool  
People say we were the troublesome two  
I know the girls like me and you  
I can never forget the times you've covered my back  
You helped me out and cut me slack  
There was nothin' you'd never do  
It's all about me and you

You're my brother, you're my sister  
We'll stick together  
No matter what, no matter what

Best friend, never gonna let you down  
Best friend, always gonna be around  
You know, whatever life puts you through  
I'll be there for you  
We all need a best friend, to understand  
A best friend, to take your hand  
You know, whatever life puts you through  
I'll be there for you

You remember the days when we would  
Kick back, lay back  
We'd be chillin' with the ladies  
Those times were the greatest  
So don't worry about a thing my friend  
Cos you can count on me, thick and thin  
Cos I'll be there right till the end, till the end

You're my brother, you're my sister  
We'll stick together  
No matter what, no matter what

Best friend, never gonna let you down  
Best friend, always gonna be around  
You know, whatever life puts you through  
I'll be there for you  
We all need a best friend, to understand  
A best friend, to take your hand  
You know, whatever life puts you through  
I'll be there for you
