All through the night he is lying awake  
Wond'ring how much more can he take  
Watching the walls where the shadows dance  
Drifting away into a trance  
And his eyes are blazing with fire

Dreams burnt to ashes so many times  
Highest of mountains, still he climbs  
Ready to fly, cause he just can't stay  
Flame burning brighter with every day  
And his eyes are blazing with fire  
Longing for the deepest desire

Heart of an eagle  
He flies through the rainbow  
Into a new world and finds the sun  
Spreading his wings  
Above all the sorrows  
The glory of Eagleheart

Fever is burning in his veins  
Determined with courage, breaking the chains  
Back against the wall under blood red skies  
Prepared to fight until he dies  
And his eyes are blazing with fire  
Longing for the deepest desire

Heart of an eagle  
He flies through the rainbow  
Into a new world and finds the sun  
Spreading his wings  
Above all the sorrows  
The glory of Eagleheart

Heart of an eagle  
He flies through the rainbow  
Into a new world and finds the sun  
Spreading his wings  
Above all the sorrows  
The glory of Eagleheart
