Baby be brave - 1/1

Interprété par The Corrs.

Maybe deep down inside, you don't believe it Your wailing wall, it isn't weeping at all And you're not worthy of adoration You're scared that somebody somewhere's gonna find the burst pipe And as fast as they bow down they'll leave you behind But baby be brave cause what's the point of it all What's the point of it all yeah Baby don't blow it, tell me what's it all for If you're not terrified to fail Are you terrified to fail?

Way far down below you don't feel it Yeah everyone knows but we don't believe it The pain of a pop star you're breaking my heart

But baby be brave 'cause what's the point of it all What's the point of it all yeah? Baby don't blow it, tell me what's it all for If you're not terrified to fail

(Confide in me, tell your story) Are you terrified to fail? (It's your fear that makes you worthy)

I know what you're doing 'cause God I've been tempted, you are Drowning the special to Immortalize the rise And what's the point of it all

Baby be brave 'cause what's the point of it all What's the point of it all yeah? Baby don't blow it, tell me what's it all for If you're not terrified to fail

(Confide in me, tell your story)Are you terrified to fail?(It's your fear that makes you worthy)I am terrified to fail(Confide in me, tell your story)Are you terrified to fail?(It's your fear that makes you worthy)
