Album : Dreamspace (1994) - Bonus Track (Japon)

Paroles et Musique : Timo Tolkki

Shining there in the sky
Lights our way across the land
Black clouds in front of your face
Fading into the haze

In this prison of mine
My soul lies in despair

My mind wanders through time
Tell me what is my crime
What is behind velvet lies
Heart as cold as the ice

In this prison of mine
My soul lies in despair

Won't you set me free
Now I have to leave
