

Why can't i? - 1/1

Interprété par Liz Phair.

Get a load of me get a load of you
Walkin' down the street and I hardly know you
It's just like we were meant to be

Holding hands with you and we're out at night
Got a girlfriend you say it isn't right
And I've got someone waiting too

What if this is just the beginning
We're already wet and we're gonna go swimming

Chorus
Why can't I breathe whenever I think about you
Why can't I speak whenever I talk about you
It's inevitable it's a fact that we're gonna get down to it
So tell me
Why can't I breathe whenever I think about you

Isn't this the best part of breakin' up
Finding someone else you can't get enough of
Someone who wants to be with you too

It's an itch we know we are gonna scratch
Gonna take a while for this egg to hatch
But wouldn't it be beautiful

Here we are we're at the beginning
We haven't fucked yet but my heads spinning

Chorus

High enough for you to make me wonder
Where it's goin'
High enough for you to pull me under
Somethin's growin' for this
Out of this that we can control
Baby I am dyin'

Why can't I breathe whenever I think about you
Why can't speak whenever I talk about you

Chorus
