

## Predictable - 1/2

Interprété par Good Charlotte.

Predictable

Something isn't right  
I can feel it again, feel it again  
This isn't the first time  
That you left me waiting  
Sad excuses and false hopes high  
I saw this coming, still I don't know why I let you in

[Chorus]

I knew it all along  
You're so predictable  
I knew something would go wrong (Something's going on)  
So you don't have to call  
Say anything at all  
So predictable (so predictable)

So take your empty words  
Your broken promises  
And all the time you stole  
Cause I am done with this  
And I can give it away, give it away  
I'm doing everything I should of  
And now I'm making a chance  
I'm living the day  
I'm giving back what you gave me  
I don't need anything

[Chorus]

Everywhere I go, everyone I meet, everytime I try to fall in love  
They all wanna know, why I'm so broken, why am I so cold, why am I so hard inside  
Why am I scared, what am I afraid of  
I don't even know, this story never had an end  
I've been waiting, I've been searching, I've been hoping  
I've been dreaming you would come back, but I know the ending of this story  
You are never coming back (never, never, never, ...)

[Chorus]

## Predictable - 2/2

Everywhere I go for the rest of my life, everyone that I love, everyone that I care about  
They all wanna know what's wrong with me  
But I know what it is  
I'm ending this right now
