

Help me, i'm hungry ! - 1/1

Interprété par Nirvana.

Hold me, there's too much tension
Grade me, I'm *****' hungry
Help me, I'm *****' cornered Grade me, you might be right
Lightning ***** around in my head
Fierce, dangerous, pathetic, ***** up
People freakin' every day
White light's in sight
What do you want ? Huh ?

Cold, naked man, picked off his scabs, and
Fed them, to the pigeons
Help him, he's *****' cornered Grade him, it might be fun

[Chorus]
Lightning ***** around my head
Fierce, dangerous, pathetic, ***** up
People freakin every day
White light's in sight
I don't know

Hold me, something's happening
Help me, somebody help me
Hold me, I'm *****' hungry
Help me, I'm right here, where are you ?

Naked man, (you say you saw)
Fed them, to the pigeons
Help him, he's *****' cornered

[Chorus]

Help me, I'm *****' hungry
Help me, I'm *****' up
Hold me, some *****' help
Aaaahhh !
