

## Sappy - 1/1

**Interprété par Nirvana.**

Magnifique chanson, aussi bien a la guitare seche qu'a l electrique !!!

And if you save yourself  
You will make him happy  
He'll keep you in a jar  
Then you'll think you're happy  
We'll give you breathing holes  
Then you'll think you're happy  
He'll cover you in grass  
Then you'll think you're happy now

You're in a laundry room (x2)  
Conclusion came to you ah

And if you heal yourself  
You will make him happy  
You'll wallow in your shit

And if you cure yourself
