

## Before the dawn - 1/1

**Interprété par Evanescence.**

Meet me after dark again and I'll hold you (hold you)  
I am nothing more than to see you there  
And maybe tonight... We'll fly so far way  
We'll be lost before the dawn

If only night can hold you where I can see you, my love  
And let me never ever wake again  
And maybe tonight, we'll fly so far away  
We'll be lost before the dawn

Somehow I know that we can't wake again  
From this dream, it's not real but it's ours...  
Maybe tonight we'll fly so far away  
We'll be lost before the dawn

Maybe tonight we'll fly so far away  
We'll be lost before the dawn
