

## Flesh - 1/1

**Interprété par Kmfdm.**

Into this void I will give my Self-Control.  
Inside this noise is a weak and godless soul.

Give me what I know.  
Feel this ego.  
There's a rusty halo on my head.  
It must have been something that I said.  
This is the dome of my betrayal.  
This is the final broken nail.  
Fill this hole,  
suck this soul.  
I'm the thing that I can't control.  
Press My Flesh!

These eyes are twitching like a cup of squirming flies.  
When i'm on my knees you can do just what you please.

Inside this noise is a weak and godless soul.

There's a rusty halo on my head.  
It must have been something that I said.  
This is the dome of my betrayal.  
This is the final broken nail.

Fill this hole, suck this soul.  
I'm the thing that I can't control.
