

Power - 1/1

Interprété par Kmfdm.

Hammer & stone - Skin & bone
The children of fear are not alone
Rivers of tears - Flesh & blood
An eye for an eye that's all we've got
Power & truth - Desire & trust
Like the wind and the rain
Ashes and dust
Time will be ending
Life's a crusade
For a consciousness rising
Out of a desperate state
Into light and the future
Education is work
Into violent peace
That will conquer the world
We got the power
Excessive force
Industrial soundtrack to the holy wars
