Interprété par Mariah Carey.

When I am lost
you shine a light for me and set me free
When I am low
You wash away my tears
And take me through

The loneliness
And emptiness
Through the darkest night
Somehow I survive

[chorus]
Through it all
When you tell me I'm the only one you need
Sweet and tenderly
And your love
Breaks away the clouds surrounding me
All I have I wanna give to thee

If I should fall
Your love is strong enough to lift me up
If I'm afraid
You chase away my fears
And take me to

A brighter place
Beyond the rain
And I feel alright
'Cause you're by my side

[chorus]

You take me through
The loneliness and emptiness
And I feel alright
'Cause you're by my side

Through it all
You tell me I'm the only one you need
So sweet and tenderly
And your love
Just breaks away the clouds surrounding me
And baby all I have I wanna give to thee

Wanna give you all of my love
Now and forever my love
All I have I wanna give to thee
