

## Today - 1/1

**Interprété par Mud Flow.**

Today

A very bad day

I lose the right to choose

The very best way

Because some day

I won't be late

I'll have time on my side

To give her everyday

Do you understand ?

Someone I knew

Someone like you

Someone I love

Someone like you

Someone I can't get over from

I can't complain

I can't deny my last regret

Oh I... lost my chance

With someone I could trust

Today

A very bad day

I swear I choose to choose

Zinneke

Someday

Maybe I stay

And all the rest will fade

Because of the day

Do you understand ?
