Interprété par Eminem.

Intro Spoken)

I know sometimes, things may not always make sense to you right now, but hey, what did daddy always tell you? Straigten up. Stiffen up that upper lip. What you cryin about? You got me.

(1st Verse)

Haillie I know you miss you mom, and i know u miss your dad/
when im gone, but im tryin to give u the that life i never had/
I can see your sad, even when you smile even when you laugh/
I can see it in your eyes/
deep inside you wanna cry/
Cuz your scared/
when i aint there/
daddy's with you in your prayers/
No more cryin wipe them tears/
Daddy's here no more nightmares/
We gon' pull together through it/
we gon' do it/
Lanny? uncles crazy ain't he/
ya but he loves u girl and u better know it/
We're all we got in this world/
When it spins when it swirls/
When it whirls, when it twirls/
Two little beautiful girls/
Lookin puzzled in the days/
I know it's confusin you/
Daddy's always on the move/
Momma's always on the news/
I try to keep you shelter you from it but some how it seems/
the more i try to do that the more it backfires on me/
all the things growin up as daddy, daddy had too see/
daddy dont want u to see but u see just as much as he did/
we did not plan it to be this way, your mother and me/
but things have gotten so bad between us/
i dont see us/
ever bein together ever again/
like we used to be when we us teen agers/
but then of course everything always happens for a reason/
but i guess it was just never meant to be/
its just something we have no control over and thats wat destiny is/
but no more worries rest your head and go to sleep/
maybe one day we'll wake up and this will all just be a dream/

(Chorus)

Now hush little baby dont you cry/
Everything's gonna be alright/
it doesnt matter if things go bump little lady i told ya/
daddy's here to hold ya, through the night/

Mockingbird - 2/3

i know mommy's not here right now and we don't know why/
we feel how we feel inside/
it may seem a little crazy/
pretty baby, but i promise, momma's. gonna be alright/

(Verse 2)

It's funny, I remember back one year when daddy had no money/
mommy wrapped the christmas presents up and stuck them under the tree/
and said some of them were from me/
cuz daddy couldnt buy em/
ill never forget that christmas i sat up the whole night cryin/
cuz daddy felt like a bum/
see daddy had a job/
but his job was to keep the food on the table for u and mom/
and at the time/
every house that we lived in either kept gettin broken into and robbed/
or shot up on the block/
and your mom/
was saving money for you in a jar/
trying to start a piggy bank for you so you could go to college/
almost had a thousand dollars/
till someone broke in and stole it/
and i know it hurt so bad it broke your momma's heart/
and it seems like everything was just startin to fall apart/
mom and dad was arguin alot/
so momma moved back on the chalmers and the flat/
one bedroom apartment/
and dad moved back to the other side of 8 Mile and novara/
And that's wen daddy went to California with a cd/
And met Dr. Dre, and flew you and momma out to see me/
But daddy had to work, you and momma had to leave me/
but then u started seeing daddy on the T.V/
and momma didnt like it/
and you and lanny were to young to understand it/
papa was a rollin stone, momma developped a habit/
and it all happened to fast for either one of us to grab it/
im just sorry you were there and had to witness it first hand/
cuz all i ever wanted to do was to make u proud/
now im sittin in this empty house/
just reminiscin/
lookin at ur baby pictures, it just trips me out/
to see how much youve both have grown its almost like your sisters now/
wow, i guess you pretty much are/
but daddy's still here/
lanny im talkin to u too/
daddy's still here/
i like the sound of that, ya/
it's got a ring to it dont it/
shhh, mommas only gone for the moment/

Mockingbird - 3/3

(Chorus)

(Outro)

And if you ask me to Daddy's gonna buy you a mocking bird/
imma give you the world/
imma buy a diamond ring for you, gonna sing for u/
ill do nething for you to see you smile/
and if that mockingbird dont sing and that ring dont shine/
imma break that birdies neck/
ill go back to the jewlla/
who sold it to ya/
and make him eat every karot dont fuck with dad
