Hydroelectric - 1/3

Interprété par Mdfmk.

Float flushed Flowing like a river Try to suffer this calamity

Drift swim Hover and decide You requested my humanity

It's a complex state Another dimension

Blind like a saint To the other side

Couldn't be awaken To a hurricane

Crush away Feels like i could flat line

Devil fluorescence's is All i remember

Succumb, I surrender to this

Here to eternity Not a reality

Only the cost of insanity Bombastic vibe

I thrive on this disease Liquify sub-zero freeze

Initiate to terminate It's you that moves the hydroelectric Guide me down You dominate me Invite the noose And violate Intoxicate Hydroelectric You dominate me

It's the ebb and flow The total connection

Hydroelectric - 2/3

A trickle of rain Shrouding the dirt

Coring me Waken to a hurricane

Watery grave Cry adriatic shelter

Broke reflection on the service of never Repent here forever and back

Total viscosity into fluidity Only impulsive meditate

Bombastic vibe

I thrive on this disease Liquify sub-zero freeze

Initiate to terminate It's you that moves the hydroelectric Guide me down You dominate me Invite the noose And violate Intoxicate Hydroelectric You you you dominate me Hydroelectric Dominate me Dominate me
