Nothing to Lose

Need more friends with wings,  
All the angels I know put concrete in my veins  
I'd always walk home alone,  
So I became lifeless just like my telephone

There's nothing to lose  
When no one knows your name  
There's nothing to gain  
But the days don't seem to change

Never played truth or dare,  
I'd have to check my mirror to see if I'm still here  
My parents had no clue,  
That I ate all my lunches alone in the bathroom

There's nothing to lose  
When no one knows your name  
There's nothing to gain  
But the days don't seem to change

There's nothing to lose  
My notebook will explain  
There's nothing to gain  
And I can't fight the pain

Teacher said it's just a phase,  
When I grow up, my children will probably do the same  
Kids just love to tease,  
Who'd know it put me underground at 17

There's nothing to lose  
When no one knows your name  
There's nothing to gain  
But the days don't seem to change

There's nothing to lose  
My notebook will explain  
There's nothing to gain  
And I can't fight the pain
